Environmental Statement Policy

At Fosters Rooms we recognise that our operations have an effect on the local, regional and global environments. We acknowledge a responsibility for, and a commitment to, the prevention of pollution and the protection of the environment at all levels. We seek to ensure that the impact of our operations on the environment is reduced to as low a level as practicable, and that we continually improve our processes and procedures to achieve further reductions in environmental impact.

The company will comply fully with environmental legislation and is committed to continued efforts to:

- Recognise environmental protection as an integral part of our business performance
- Set, publish and review environmental targets and goals to improve our environmental performance, on a regular basis
- Increase awareness amongst staff and clients, and promote environmental management policies and practices in every department of the company
- Continue to reduce the consumption of fossil fuels and to incorporate long term strategies for energy efficiency into planning and development
- Minimise waste and pollution and develop and operate environmentally sound waste management procedures, recycle materials wherever possible
- Share and exchange appropriate information with national and local authorities, professional associations, suppliers, customers and with other third parties who share common environmental interests
- Ensure that this policy is communicated and accessible to all employees, stakeholders and other parties as appropriate. Ensure the policy is understood, implemented and maintained at all levels in the organisation
- Providing adequate and appropriate resources to implement this policy

Environmental regulations, laws and codes of practice will be regarded as setting the minimum standards of environmental performance. We will conduct an annual self- evaluation of our performance in implementing these principles and in complying with all applicable laws and regulations. The findings will be reported to the Chief Executive and Company Board.
